

International Winterschool on Electronic Properties of Novel Materials

Final Announcement

March 07 - March 14, 2020

Hotel Sonnalp - Kirchberg in Tirol - Austria

Dear IWEPNM 2020 participant,

the preparation for this year's Winterschool in Kirchberg is almost completed. There is some final information which we wish to bring to your attention.

Time and schedule

The Winterschool extends from Saturday afternoon, March 07, to Saturday morning, March 14. An informal reception party will be arranged on Saturday, March 07, around 9 pm. If you arrive in time you can have dinner at the Hotel Sonnalp before the reception party. The last meal will be breakfast on Saturday, March 14. The dinner on Friday will be a buffet combined with a farewell party.

A tentative version of the program for the Winterschool has been established. You can find it on the homepage of the IWEPNM 2020, following this link:

<http://www.iwepm.org/2020/program>

Slight changes of the program may still be necessary, so please check this page for updates and more details!

Contributions

Oral lecturers are asked to check their lecture time, which is 20+10 and 50+10 minutes for research and tutorial lectures, respectively. There will be three poster sessions on Monday, Tuesday and Thursday, respectively.

Please note that all posters must be in portrait format!

The dimensions of your poster should not exceed the size of our portable poster walls: height: 150cm, width: 100 cm!

All participants are invited to contribute comments, questions, confirmations, objections etc. to the individual lectures. All oral contributions of the morning and evening lectures will be video taped. Mini workshops can be arranged during the afternoon any day.

The research discussed in Kirchberg will be published in a special issue of *physica status solidi* and other journals by Wiley-VCH. Details will be announced at the meeting.

Travel

Some participants of the IWEPNM 2020 will be accommodated outside the Hotel Sonnalp in close by hotels or private bed-and-breakfast places. However, all facilities of the Hotel will be open for these colleagues. Dinner at the Hotel Sonnalp is included in the registration for all participants and accompanying persons. The Hotel Sonnalp will provide wireless LAN connection to the

Internet.
